Help revitalize Wayland Main Street

What are the benefits of sponsoring Wayland Main Street Events? By sponsoring, your brand will enjoy visibility before thousands of attendees while demonstrating support for the continued growth of our commercial and cultural district.

Your sponsorship also helps fund Wayland Main Street's year-round revitalization efforts, not just the seasonal events and festivals.

Interested in sponsoring? We offer two sponsorship options: the first is an "All Year, All Events" package that guarantees exposure at all events throughout the year. The second is an A-La-Carte sponsorship, allowing your company to select an event item that best aligns with your brand.
